MEETS RESPONSIBILITY

Asian Granito India Limited Achieves **GreenPro** Certification from CII, Reinforcing Its Position in Green Building Materials

- GreenPro Certification covers AGL's key product categories including **Wall Tiles, Porcelain Body Tiles, Full Body Vitrified Tiles, Glazed Vitrified Tiles, Dual Sink-double Digital Tiles, Double Charged Vitrified Tiles and Soluble Salt Tiles**
- Recognition underscores AGL's focus on environmentally responsible manufacturing and sustainable standards
- Supports the growing demand for certified green materials in India's construction sector

GreenPro certification, developed by the Confederation of Indian Industry, is one of India's most trusted eco-labels, recognising products that meet stringent environmental and sustainability standards across their life cycle. This certification reinforces AGL's long-standing commitment to responsible growth, supported by ISO 14001-certified manufacturing practices, collaboration with green building councils like IGBC, and continuous investment in energy efficiency, water conservation, and waste reduction. Receiving the GreenPro certification strengthens AGL's role in promoting sustainable construction, aligns with global ESG priorities, and supports the construction industry's growing preference for certified green materials in both commercial and residential projects.
